<b>TOTALS:</b>				Half lb			
				Full lb			

Please indicate if you require the coffee to be ground in the quantity column.

Hello Parents and Alta Vista Community Members,

As many of you are aware, Alta Vista School Council has been focussed this year on completing Phase One of our Yard Revitalization Project. We have funded the organic vegetable gardens that the Grade Three classes have undertaken in partnership with Growing Up Organic, given the go-ahead for the Ottawa Carleton District School Board (OCDSB) to tender a new kindergarten play structure for Fall 2014 and submitted paperwork to have the yard games repainted and a few more four square games added by the summertime. The total costs are \$67,000, and we currently have \$60,000 earmarked for this project.

To assist us in raising the additional \$7,000, we have partnered with Happy Goat Coffee to bring you the opportunity to purchase a special "Alta Vista Yard Revitalizer" coffee blend that has been developed just for us! Alta Vista School Council will receive a portion of the sales proceeds from this coffee.

Happy Goat Coffee is a local coffee roaster, working directly with small-scale farmers who produce niche coffees to help protect and preserve small-scale farming. This in turn helps the environment, empowers small farmers and their local economies while maintaining the world's store of genetic diversity, as well as providing superior coffee. You can read more on this great company at <http://www.happygoatcoffee.com/>

The "Alta Vista Yard Revitalizer" blend is a blend of 3 different specialty coffees packaged in an aroma valve sealed bag that allows the coffee to remain fresh for up to three months. Once the bag is opened, the shelf life is approximately four weeks. The coffee is available in ½ LB and 1 LB bags for the price of \$13.00 and \$20.00 respectively. The coffee comes in beans format, but can be ground upon request.

If you would like to purchase some, please complete the order form on the reverse and return it with cash or cheque to your homeroom teacher by June 12<sup>th</sup>, 2014. Please note cheques, made out to Alta Vista School Council, are strongly encouraged. Orders will then be ready for delivery June 19<sup>th</sup>, 2014.

You are also welcome to take orders from friends and family to help us reach our goals.

Thank you for your tremendous support,

Marty Carr and Lindsey Barr

Alta Vista School Council Co-Chairs
